

## CityFibre Home Full Fibre Guide (UK)

Availability: 4.5m+ premises ready for service across 285+ UK cities and towns.

Wholesale partners: Vodafone, TalkTalk, Sky, Zen, IDNet, Giganet, toob and regional ISPs.

Speeds: Symmetric tiers from 150 Mbps to 2.5 Gbps using XGS-PON.

Reliability: 99.9% availability target with proactive monitoring and automated reroute on fault.

Install: Standard install in under 7 working days with optional WiFi 6 mesh and digital voice.

Pricing: Indicative partner retail from £30-£65 per month (GBP).

Sustainability: Lower energy per Mbps vs copper/FTTC; build aligned to UK Net Zero goals.
